Capt. Dallesandro,

Today I met with Darren Light who lives at 101 Renaissance Drive. He is the other half of this dispute with Mr. Diggle. Mr. Light stated that he has felt that Mr. Diggle has been overly aggressive with both he and his wife and stated that Mr. Diggle's dog has been aggressive towards his dog. Mr. Light stated that he is tired of being "harassed" by Mr. Diggle and stated that he wanted to file criminal charges for Mr. Diggle's surveillance cameras recording audio without his permission. I tried to explain to Mr. Light that the cameras are recording in a public place where there is no expectation of privacy. He was adamant that it was illegal and stated that he wanted to arrange a meeting with one of our Detectives on Monday to file the complaint. He was given our non-emergency number and advised to call for the appointment if he still wished to discuss the situation. He did agree that he just wants to be left alone and would not do anything to escalate the situation and was encouraged to call us if things become heated. He was encouraged to speak with an attorney regarding any possible civil action he may want to take regarding the entire situation.

Confirmed.

I have attached 3 videos. A video threading to blowing up my home. A video saying vulgarities with a dog without a leash and something about a rifle?

The video (attached) I came out of my front door last night and was not even on my driveway and he yelled at me go inside boy and his dog went crazy.

We called the non-emergency at 8:47pm for a officer to come. I am a victim, I am being harassed and threatened with harm to myself and our property.

I was present during all these threats. My wife, and I worry for our safety. I spoke to new neighbor one-time and he did threaten me and was very drunk.

I have kept a very low profile. The new neighbors in Unit 101 don't use a leash and called about my dog: https://ring.com/share/6560664627428812342

Please see the attached videos. Listen to what he says - I am in the yard, and he is threatening to shoot me and damage my home and property Angela.
